

NAWCC REPORT

There is a continuing effort to collaborate with NAWCC on education and Convention's. I recommended to the Convention Chair and the Education Chair that we make every effort possible to join with NAWCC next year at York Pa. for their 75th year celebration and convention. Dennis Warner and myself attended their convention this year at Arlington, TX there was good attendance. We gave out HT's and other literature and answered many questions. We invited Tom Wilcox Esq. their Executive Director and anyone from their Board to attend our convention in Tampa Fl.
