

AWCI Committee Report

Name of Committee: Board of Watch Examiners

Committee Members: Willie Adams, Sergio Barrios, Stan McMahan, Craig Stone
Chair-Kelly Hunter

Questions, Subjects, or Work Assigned to Committee: currently in development of new certifications - Specialist and (4) Technician level. Handling of appeals for CW21, continuing test development, test assessment and certification, training of new assessors.

How the committee carried out its work: BOWE has met regularly over the last several months to develop the framework for the Certified Specialist, Casing Technician, Refinishing Technician, Quartz Technician, and Timing Technician certifications. The BOWE is currently working with the Education Committee for final development of theoretical as well as practical skills needed for each of the 5 new certifications.

The result of work conducted or the conclusions of the investigation: 5 new certifications scheduled to launch in 2020. Once those are piloted and operational we will be refining the CW21 and CMW21 as well.

Motion to be voted on by the Board of Directors:

Commendations of individuals who made extraordinary contributions to the committee's work:
