

**Report of the Constitution & Bylaws Committee
AWCI Annual Meeting
To the AWCI Board of Directors**

August 7, 2009 Providence, RI

**From The Constitution & bylaws committee:
Paul Wadsworth, Chairman
Members: Glenn Gardner, CMW
Jim Door**

The president instructed us to read and re-read the constitution, by-laws, and policy manual so that we would become familiar with them.

We have been called on once this year for approval of proposed changes to the code of ethics in the Bylaws. They were sent via e-mail to the committee. I have had responses from both Glenn Gardner and Jim Door.

We all agree that they are in proper form and there are no conflicts with either the Constitution or the Bylaws.

**Respectfully submitted
Paul Wadsworth Chairman**
