Report to the Board

This committee has been very active since early May. Since that time we have handled the nomination of an individual for the Fellow Award, rewritten the by-laws as they apply to various awards that AWCI bestows upon its members and developed the high score criteria for each of the four certification levels. As of this writing the by-laws changes have been presented to the Constitution and By-Laws Committee for review. Each member has been active in the discussions via email in order for the new documents to be written and the motions presented.

Respectfully,

Michael Gainey, CC21
