

*Advancing the Art, Science and Business of Horology*

**AWCI  
Industry Advisory Board  
Mid Year Report 2011-2012**

In October 2011, Chairman Terry Kurdzionak traveled to AWCI headquarters to meet with Jim Lubic, Amy Dunn, and Tom Pack. The purpose of the day and a half meeting was to gain information about the present status of the IAB and to discuss plans for the future. It was a productive meeting which led to the distribution of a letter to all members updating them on the status of the group, as well as the time and dates of the mid year meeting.

Invitations to the mid year meeting were sent to all members of the IAB along with the Minutes of the Meeting from Convention 2011. The agenda for the mid year meeting was also included in order to better prepare attending members for the discussion and business.

Chairman Kurdzionak and immediate past chairman Kessler have worked on a letter to prospective new members of the IAB, to be reviewed by mid year meeting attendees prior to sending. The letter will be considered under "new business" at the meeting March 1, 2012.

The IAB continues to have an attractive, informative presence in the Horological Times, thanks to Amy Dunn, marketing director. She also traveled to the Fall JIDA meeting and signed up some new members from that organization.

I look forward to a successful productive meeting on March 1, 2012 as well as a phenomenal vendor fair and IAB meeting at the 2012 convention in Denver.

Respectfully submitted,

Terry Kurdzionak, chairman
