AWCI Nominating Committee 2012 Midyear Report

The following slate of candidates and Question for the Candidates have been submitted by the Nominating Committee for your approval.

As it comes from committee it needs no second. We will have a 5 day discussion period and after that I will ask for a vote.

Jordan Ficklin
Joe Schrader
Manuel Yazijian
Mark Butterworth
Michal Blaszczyk
Justin Shiver
Tom Nesbit
Mark Purdy

The question suggested by this committee to the nominees (for publication in the HT) is:

With membership declining, and thus revenue's declining, what course of action do you think the AWCI board of directors should be taking to revitalize the needs of current AWCI members that would also entice new members. We realize we have an improved Horological Times and a new website, but what besides that, could we do as an organization?

Tamara Houk, CW21 (Chair)
