

AWCI SPECIAL MEMBERSHIP COMMITTEE REPORT 2011

Chairman – Doug Thompson

Members:

- Gene Bertram
- Manuel Yazijian
- Henry Kessler

The Special Membership Committee formed by President Mark Butterworth in 2009 was disbanded at the AWCI 2011 Mid-Year meeting when it was determined that the committee had met, fulfilled the requirements of its formation and was no longer necessary.

Previous committee work had been reported at the August 2010 Annual Meeting and the 2011 Mid-Year Meeting. It had been given additional objectives, but subsequently, it was noted that those additional tasks should have been attached to a Standing Committee. After dissolution, committee members were moved onto the Publicity and Public Relations Committee (Trade Shows and Marketing).

Respectfully submitted,

Doug Thompson, CW21
Chair
